

WELCOME FROM THE STAFF

Dear Parents:

Welcome to the 2022-2023 school year. As the new school year begins, let us look at some things you need to do to help make it a successful one:

1. Spend time alone with God daily. The quality of your spiritual life filters down to your children and the school.
2. Spend time with your children in family devotion and prayer. The time families spend together, to a large degree, determines the future of their children.
3. "More is caught than is taught." Let your children see Christ in you at home, at school, and at church.
4. Spend time with your school and teachers. Tell them what you like and what your concerns are.

Tuition rates are divided into two categories:

- a. Constituent Members – Solid Rock SDA
- b. Non-Constituent Members (All others)

The difference in tuition rates is due to the financial subsidy that the church gives to the school.

See financial information sheet in Application Package for charges.

Families with more than one student enrolled will receive an annual \$50.00 discount on Tuition for each additional child.

A fee of \$1,355.00 per student for registration and books. The registration fee covers insurance, School Agenda, consumables, standardized testing, and other miscellaneous items. Payment of registration fee and 1st month's tuition must be made before starting classes.

RETURNED CHECKS

A \$35.00 service charge will be applied to the student's account when a check is returned by the bank.

ATTENDANCE POLICIES

1. Each student is expected to attend school punctually and regularly. Reasonable allowances will be made for absences, but the only legitimate excuses will be illness of the student, or death in the immediate family. Upon returning to school, the student is to bring a note to the teacher from a parent or guardian and/or doctor stating the reason for the absence; and all schoolwork missed must be made up. Students will not be allowed in school without the note. Absences for (15% of 180) are liable to fail the school year.
2. Tardiness is unacceptable except for sudden illness or prearranged medical appointments.

Incentives will be given to encourage punctuality. Parents are encouraged to schedule medical appointments outside of school hours. Three tardies = 1 absence. Students who are absent for more than 20% of the quarter will be referred to the School Board.

3. Vacation: The School Calendar will include the various vacation periods for the school year. Should a necessity arise for a student to be away when school is in session, parents/guardians should personally notify the student's teacher at least a week in advance to arrange for assignments. Failure to do so will result in a failing grade for the assignment.
4. School Hours: School begins at 8:00 a.m. and ends at 3:00 p.m. Students must be picked up promptly and no later than 3:30 p.m. The school doors are opened at 6:45 a.m. Parents who drop off students before that time, do so at their own risk.
5. After-School Hours: All students should be picked up as soon as possible after dismissal time. Parents needing after-school care should make arrangements in advance. Students remaining after 3:30 p.m. without prior arrangements will be signed into Aftercare at the Aftercare rate.
6. Friday Hours: On Fridays, school will be dismissed at 1:30 p.m. to allow for Sabbath preparation. All students **MUST** be picked up promptly and no later than 2:00 p.m. Students who are picked up should remain in their parents' vehicles until transported away and should not be allowed to continually re-enter the school premises.

BEFORE AND AFTERCARE

School begins at 8:00 a.m. and ends at 3:00 p.m. Monday through Thursday, and at 1:30 p.m. on Friday.

Aftercare hours are 3:30 – 6:00 p.m. Monday to Thursday, and 2:00 – 5:00 p.m. on Friday. Students are automatically placed in Aftercare at 3:30 and 2:00 respectively. Aftercare is \$180.00 per month and a \$10.00 flat rate per day (\$12.00 per day on Noon Dismissal days). Before care is \$140.00 per month and a \$8.00 flat rate per day. (See financial sheet).

In order for children to be released to an adult not listed on the After Care Form on file, parents must inform the school in writing. The authorized adult will be required to show a picture ID to the After Care personnel, who must record the ID information on the After Care document.

If students are picked up late (after 6:00 Monday-Thursday, after 5:00 –Friday) **there will be an additional charge of \$1.00 for each additional minute after the scheduled Aftercare time. You will be charged on your monthly statement.**

12. Because of the necessity of the existence of positive relationships between the school, parents, and students in the operation of the school, parents, and students are expected to find harmonious solutions to differences or misunderstandings with others. PARENT-SCHOOL RELATIONSHIP

The success of the school depends in a large measure upon the good faith and wholehearted cooperation between parents and the school's staff.

Our school cannot be successful in teaching its students basic, successful principles of life without the support and cooperation of the home and the church. Consequently, our school believes that there should be a positive working relationship between parents, school staff, and pastors for the welfare and continued growth of the students. Letters or phone calls from the school may indicate a desire to counsel together to ensure the total growth & development of each student. Parents sometimes have questions concerning the school's programs for their

children. Inquires about such matters are welcomed and encouraged.

HOME AND SCHOOL ASSOCIATION

All parents of school children are members of the Home and School Association. The annual membership fee per family is \$35. Parents are urged to assist in the programs of the school and the association and are encouraged to enhance relations between the home and the school. The association directly benefits the parents and students through its educational programs and fundraising activities. In addition to general meetings, the Home and School Association sponsors programs on parenting and school-community projects. Your attendance at scheduled meetings and other activities is strongly recommended

FIREDRILL PROCEDURE

Monthly Fire Drills are required by State Law during the school year. These drills are to be taken seriously by students. When the alarm is sounded, students should immediately stop whatever they are doing and proceed to the designated area quickly and quietly. Students and teachers are to remain outside the building until a signal is given to return. Failure to comply with fire drill procedures will result in disciplinary action. Teachers will practice routes to exit classrooms and buildings with students.

TORNADO DRILL PROCEDURE

By Florida State Law, Beryl Wisdom Adventist School is required to have tornado drills during the school year. These drills are to be taken seriously at all times. Teachers will direct their students to the designated areas or through the designated procedure.

SEVERE WEATHER

Please note that Beryl Wisdom Adventist School will follow the directives given to Orange County Public Schools in cases of severe weather conditions.

DISCIPLINARY PROCEDURES

“The object of discipline is the training of the child for self-government. He should be taught self-reliance and self-control. Let all dealing with him be such as to show obedience to be just and reasonable. When God says thou shalt not, He in love warns us of the consequences of disobedience, in order to save us from harm and loss.” *Education, p. 287*

The Teachers, Staff and administration work with each student to meet these guide lines.

SEXUAL HARASSMENT POLICY

It is important that BWAS maintains a Christ-centered school environment characterized by human dignity, Christian courtesy, and individual respect. Sexual harassment should never be a part of that environment. It should be noted that sexual harassment constitutes illegal educational discrimination under Federal and State Statutes, the 14th Amendment of the U.S. Constitution, and Title IX of the Education Reform Act Amendment of 1972.

Definition: Sexual harassment constitutes unwelcome sexual advances, sexual comments of any kind, or physical contact of a sexual nature.

Examples:

1. Making threats of a sexual nature
2. Touching in a sexual manner
3. Sexual advances, gestures, contact, comments, or jokes
4. Displaying suggestive comments about a person's anatomy.

Note: Sexual harassment constitutes an infraction of Beryl Wisdom Adventist School policies and becomes grounds for disciplinary action including five or more days' suspension or dismissal depending on the seriousness of the situation as determined by the BWAS administration.

DRESS

It is our goal that students develop an appreciation for Christian dress standards and grooming habits. This is particularly necessary in today's world where dress standards are extremely lax. Our dress standards will be effective only as parents and students work together. Students are expected to observe the following standards in their dress:

A uniform is the only appropriate dress for school. All items for students may be purchased through the uniform company. Students are not permitted at any time to wear only a part of the uniform on the street, to classes, or in any public place. Students who do not wear the correct uniform will not be allowed to attend classes. Parents will be required to pick up children at the school office. No decoration (additional badges, pins, brooches, etc.) may be worn.

School uniforms as approved by the School Board and Home & School Association should be worn to school every day. No other form of dress is acceptable.

School uniforms can only and **MUST** be purchased online from:

NETWORK AND INTERNET ACCEPTABLE USE POLICY

Beryl Wisdom Adventist School is endeavoring to ensure that all students have access to computers for classes and/or research. To take advantage of this educational opportunity, this agreement must be signed by the student and the parent or guardian.

At Beryl Wisdom Adventist School, student access to, and use of the network will be under teacher or staff direction and will be monitored. Access is a privilege, not a right. Access entails responsibility.

In addition, BWAS offers Internet access for student use. The use of the Internet has been established for a limited educational purpose. The term “educational purpose” includes classroom activities and limited light-quality self-discovery activities. Internet access has not been established as a public access service or public forum. BWAS has the right to place reasonable restrictions on the material the student accesses or posts through the system. All students are expected to follow the rules as set forth below.

Grades 3-5

1. I will not give personal information such as my address, telephone number, parents’ work address or telephone number, or the name and location of my school without my teacher’s permission.
2. I will tell my teacher right away if I come across any information that makes me feel uncomfortable.
3. I will never agree to get together with someone I “meet” online.
4. I will never send a person my picture or anything else without first checking with my teacher and parents.
5. I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do, I will tell my teacher and parents right away.
6. I will not give any passwords to anyone (even my best friend) except my parents or teacher.
7. I will be a good citizen and not do anything that hurts other people or is against the law.

8. I will only be online when my teacher has given me permission.
9. I will always log off when I leave the computer/iPad/laptop.

Grades 6-8

1. The Internet may only be accessed with the direct knowledge of a teacher and when an adult is present in the room.
2. Students will not post personal contact information about themselves or others on the Internet.
3. Students must never agree to meet with someone they met online without their parent's approval.
4. Students will promptly report to their teacher or any school employee any message they receive that they feel is inappropriate or which makes them feel uncomfortable.
5. Students may not use BWAS' Internet connection for any commercial purpose. This means students may not offer, provide or purchase products or services through BWAS' Internet connection.
6. Students will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses by any other means. These actions are illegal.
7. Students are expected to immediately notify a teacher or school employee if they have identified a possible security problem. Students will not show or identify the problems to other users.
8. Students will not use the BWASs Internet connection to access or distribute material that is profane, obscene, lewd, vulgar, rude, inflammatory, threatening, and disrespectful, that advocates illegal acts, or that advocates violence or discrimination towards other people.
9. If a student mistakenly accesses inappropriate information, a teacher or school employee should be notified immediately. This will protect the student from a claim that they have intentionally violated this policy.
10. Parents should instruct their child if they feel there is additional material, they feel is inappropriate for that child to access. BWAS' fully expects each student to follow their parents' instructions in this matter.
11. Students will not harass another person through the Internet or network. Harassment is still persistently acting in a manner that distress or annoys another person. If a student is told by a parent to stop sending him/her messages, the student must stop.
12. Students will not knowingly or recklessly post a message that was sent to them privately without permission of the person who originally sent the message.
13. Students must not plagiarize works found on the internet. Plagiarism is taking the ideas or writings of others and presenting them as your work.
14. Students will always respect the rights of copyright owners. Copyright infringement occurs when work is protected by a copyright and is inappropriately reproduced. If a student is unsure whether or not any work can be copied or used, he or she should request permission from the copyright owner. Copyright law can be very confusing. If students have questions, they should ask a teacher.
15. Use of non-educational chat rooms and online game usage is prohibited.
16. Loading or playing games on either a workstation hard drive or on the network file server is considered vandalism and is prohibited.
17. No student will attempt to change the desktop display of any workstation.
18. All students are required to log off the network when they have completed their tasks. No student may begin work on a station if someone is already logged in.

BWAS makes no warranties of any kind for the network service it provides. BWAS will not be responsible for any damages suffered including loss of data. BWAS will not be responsible for

the accuracy or quality of information obtained through the network connection.

TO THE STUDENT: When you are using the BWAS Internet connection and network, you may feel like you can easily break a rule and not get caught. This is not really true because wherever you go on the network you leave “electronic footprints.” Even if you don’t get caught, there is always at least one person who will know whether you have done wrong—that person is you. Your use of the Internet and network can be a mirror that will show what kind of person you are.

Students do understand that any violation of these guidelines or any inappropriate conduct related to computer/internet usage may result in administrative action including, but not limited to, revocation of your laptop/iPad use and access, suspension, or expulsion. At all times, care must be given while handling the laptop/iPad you have in my possession. A cost will be assessed for any damage(s) to the device and the parent/guardian of the student who damages the laptop/iPad will be responsible for the cost assessed to fix the device. An iPad/laptop usage agreement will be signed by the parent/guardian and student before an iPad/laptop is given to a student.

HEALTH

LUNCH: We believe that healthy bodies lead to healthy minds, and healthy minds make it easier to keep in touch with Jesus. A healthy, vegetarian diet is encouraged at home and school. For students who need to bring their lunches, please ensure lunches are nutritious and ready to eat as **microwave warm-up will not be available. Do not include, candies or drinks with caffeine. Drinks must not be sent in glass bottles.** (This also includes school activities.) CURRICULUM

Our curriculum is aligned with the Common Core Curriculum State Standards and the standards developed by the North American Division of Seventh-day Adventists Education Department.

Lesson designs follow the 4MAT natural learning cycle that connects the learners to the subject matter through their individual learning styles. Our school uses a balanced literacy model that tracks early reading development through the DIBELS (Dynamic Indicators of Basic Early Literacy Skills) in Grades K-4. The online Lexia and Reading Plus programs further enhance the comprehension skills of the Pre-K – 8 Students. In addition, the Wit & Wisdom curriculum is used for Grades 5 – 8. This balanced literacy model program focuses on teaching students specific comprehension strategies that connect them to the text. A word study program, **FUNDATIONS** launches early readers into the reading process.

RELIGIOUS INSTRUCTION: As a Seventh-day Adventist School, our fundamental objective is to uplift Christ and His principles of living. Bible instruction is a prominent part of the daily schedule. All classes are taught from the Christ-centered viewpoint. Each school day begins and ends with worship/prayer.

ACADEMIC INSTRUCTION: We place a strong emphasis on, Mathematics, Science, Robotics, Reading, Language Skills, Social Studies, Computer Literacy, Music, Spanish and Physical Education.

FIELD TRIPS: Field trips are invaluable teaching aids. They provide direct experiences for learning and are extensions of what is being taught in the classrooms. A signed permission slip with the fee is to be turned in **24 hours** before field trips. Failure to comply will prevent your child/children from going on the trip.

General Field Trip Dress: Orange school field-trip shirt and jeans (shorts are **not** allowed). Any change will be indicated on the field trip Form. Students who have been suspended will not be allowed to attend a Field Trip in the quarter in which they were suspended.

EVALUATING STUDENTS' PROGRESS

Report cards are issued every nine weeks (four times per year) to keep parents informed of their child's progress. Parent/Teacher Conferences are scheduled twice per year (after the First and Third quarters). Interim Progress Reports are generally sent on the last Friday of each month. Parents may request additional conferences with the teacher at any other time. Teachers welcome your interest and suggestions and will gladly discuss your child's progress.

“It takes the best of all of us to produce the finest educational system obtainable, and the worst in only a few of us can wreck a system no matter how conscientious and efficient (it) ...may be.” *School Board Journal 120, April 1950.*

“The lessons that the child learns during the first seven years of life have more to do with forming his character than all that he learns in future years.” *Ellen G. White – C.G. 193*
