Tuition Payment Policy

Statements

Statements are sent out at the beginning of each month. Payment is due by the last day of each month. If the account is not paid by the last day of the month a \$30 late fee will be charged. Failure to keep an account current could result in dismissal.

Previous Balance

The account for the previous year's expenses at Beryl Wisdom Adventist School must be settled before a student is permitted to enroll for the current school year. Any delinquent accounts remaining from a brother or sister who attended Beryl Wisdom Adventist School must also be settled before another family member is admitted.

Account Status

The financial sponsor is expected to always maintain the account current. The student must obtain financial clearance at the following points:

- a) at the beginning of each nine-week period
- b) in advance for graduation

Past Due Action

30 Days – a letter is sent to the financial sponsor(s) requesting payment and the account will be included in an aging list sent to the Finance Committee and Board chairperson.

60 Days – a second letter is sent to the financial sponsor(s) requesting prompt action on the account. The account will be reviewed at the next Finance Committee meeting. Any decision to remove a student from school due to financial difficulties must have final approval from the Finance Committee.

Refunds

When a student withdraws from school, an adjustment will be made to the account so that only tuition actually incurred is charged. The date effective for the refund calculation is the date the student officially withdraws. Registration, and the application fees are nonrefundable. All withdrawal requests must be submitted in writing and returned to the office manager.

Statement of Responsibility

Each student is accepted at Beryl Wisdom Adventist School with the understanding that his or her parents or legal guardian is/are responsible for the legal aspects of his or her attendance, regardless of age. These include, but are not limited to, the following:

- a) Payment of the account
- b) Damage to property
- c) Liability through altercation

Transcript, Diploma

Transcripts, cumulative records, or diplomas cannot be issued unless the account for the student has been paid in full.

If full payment is not received for exited students within a year, a 1099C tax form will be issued for the collection of debt.

Graduation

Exiting students will NOT be allowed to participate in the graduation ceremony and any other graduation events unless the account has been paid in full.
